During Years 7 and 8 at Aquinas, students are given general experience in Visual Arts and Music. Visual Arts, Music and Drama are offered as electives for Years 9 & 10 and also for the Higher School Certificate. In Drama and Music, students have the opportunity to perform at Performing Arts evenings, assemblies, masses and other events held throughout the year. In Visual Arts students engage in drawing, painting, digital imaging and photomedia, ceramics, sculpture, printmaking as well as theoretical activities.

In the Creative and Performing Arts, students study historical and contemporary practitioners as well as exploring their creativity through engaging in many practical activities.
